Note: Federal Information Processing Standard Publication 10-4 (FIPS PUB 10-4) was withdrawn by the Department of Commerce on September 2, 2008. The coding system based on FIPS 10-4 is being maintained by the National Geospatial-Intelligence Agency (NGA) during the transition to a replacement country code standard. In March 2010 a FIPS PUB 10-4 recompilation was prepared and made available on the GEOnet Names Server at the NGA website (<http://www.nga.mil>). The present document is the seventh update of information deriving from results of quarterly US BGN Foreign Names Committee (FNC) meetings. The specific FNC meeting at which a name change was approved is noted parenthetically following each country name.
